

NOVA Energy & Automation

Product Specifications

MaxLumen LED Mural Insert

Model MXLumen-GRX22

03 January 2012

Product Description

1. Standard Applications

The Nova Max Lumen Mural Insert was developed for use as a meditation device in medical imaging environments. The use of the Max Lumen Mural to a medical imaging suite adds patient comfort and reduces general stress related to traumatic experiences. The graphic library was carefully selected based on the therapeutic qualities in each photo.

Patients of a scan room with visual therapy typically report a positive scan room experience with increased relaxation and reduced anxiety and stress as compared with patients in a non visual therapy environment.

6. Warranty

This limited warranty set forth below is given by Nova Automation (“Seller”) with respect to the electrical equipment (“Product”) packaged with this limited warranty. The Product, when delivered to you in new condition in its original packaging, is warranted against defects in materials or workmanship as follows: For a period of three (3) years from the date of original purchase, defective parts or a defective Product returned to a Seller, or its authorized service providers, as applicable, and proven to be defective upon inspection, will be repaired, or exchanged for a new Product, as determined by the Seller, or the authorized service provider.

This limited warranty covers all defects encountered in normal use of the Product, and does not apply in the following cases: Loss of or damage to the Product due to abuse, mishandling, alteration, accident, electrical current fluctuations, failure to follow operating, maintenance or environmental instructions prescribed by Seller, failure to follow Sellers installation instructions, or service performed by someone other than Seller or its authorized service provider.

Nova assumes no responsibility for labor or freight costs incurred in connection with the installation, removal, or replacement of products determined to be defective or any consequential or incidental damages arising from the use of the product. Nova Automations entire liability on any claim of loss or damage resulting from a defective product is limited to the replacement of the product.

WARRANTY IS VOID IF PRODUCT IS NOT USED FOR THE PURPOSE FOR WHICH IT WAS MANUFACTURED.
